Dynamite Explosion.

Mell from Their Houses.

Railroad Company is quietly working on a plan which it hopes will successfully ventified the Fourth avenue tunnet.

The test is being made in compliance with the recommendations and suggestions of the posed to be an earthquake until investigation showed that it was an explosion of a sinte Railroad commission, made over a year sinte Railroad commission, made over a year dynamite factory.

dynamite factory.

There was, says the Chicago IsterOccun, a low, rumbling sound, which seemed to come from the earth, accompanied by an awful teembling, culminating at the end of probably thirty seconds seemed to come from the earth, accomin a terrible explosion.

the smoke stacks of the locomotive pass.

A compressing engine creates a draught in driven to the four points of the compass a large pipe that runs through the tunnet by the indescribable shock and the stak.

At the time of the explosion 5,000 pounds of the explosive were stored, and all exploded at one time. The factory, which was a frame building, was completely demolished, nothing remaining to mark the site of the institution except a deep hole in the ground large enough to coutain several farm wagons.

## WOMAN SUFFRAGE IN ENGLAND.

How the Subject is Looked Upon by Prominent People.

Regarding the efforts now being made to obtain the ballot for women in Eng. live i land, a lady writing to a London paper says: "It will, indeed, be a fantastiturn of fortune's wheel if women should in the long run obtain the franchise from the Tite Barnacles of conservatism.

"The notion of giving us votes cer-"The notion of giving us votes certainly had its origin and aund its earliest supporters among the advanced Liberals: but it looks now rather as if they intended to 'dissemble their love,' it not, metaphorically, to 'Kick us down-privilege rare in the annals of the human

haif his size, such as the channel bass, as it water treut or snapper would do.

I once hooked a shark about five feet long, which fought longer than usual, and when brought to gaff he was found to be hooked in a side fin, so that he retained his full powers. So also with the hammer-head.

The shovel-nosed shark I have found to be the most active of them. The nurse shark lies on the bottom and its bite is not felt or its pressuce known to the angler till he raises his rod, then the fish comes up like a log without resistance.

- FROM THE WORLD OF LABOR

Typographical Union No. 98 will elect new offi-The average august wages of woramen in Great Britain were \$351 last year. Britain were \$331 isst year.

The Knights of Labor of Buffale have opened a School of Effort under adepictors circumstances.

The meetings of the Central Labor Union of Grand Hapids, Mich., are open to the public.

Laborers: Union No. 9 will one-ursts in a nonversary at 197 East Fourth street heat Saturday evening. All members of the Lathers' Union neglecting to pay their arrears at to-night's meeting will be sus-pended.

Mell from Their Houses.

The number of unemployed working in Chicago is estimated to be at least 25,000 at present, and it is still increasing.

The ancient village of Cahokia, with its incompany is quietly working on a 1,500 inhabitants, and the country for a which it mopes will successfully venti-

and Progress of the Typographical Union—1850 to 1891."

At the mass-meeting of the Socialists in Charendon that pesterday evening, which had been called to discuss the recent events in Germany. Herman Schlueter, of the 15-thezeitung, said that the outbreaks in Berlin, Bantzig and other large cities were the precursors of great events which might be expected very soon. Prof. 1-c Leon declared that the events in Germany would stimulate the labor movement in this country.

The Trades and Labor Council of Toronto, Canada, has adopted resolutions advising the Board of Education of that city to see that more time be devoted to practical instruction for pupils to earn a living than to military duiling and dead languages. The working of ioronto are of the opinion that, as they pay for the achools, they are entitled to having their children sducated in a senally e inanner.

The question whether or not Typographical Union.

their children educated in a sensib e manner.

The question whether or not Typographical Union
No. 6 should establish a school for instruction on
typesetting macmices has been voted down, as 61s
members weren favor of and 1,688 against the
proposition, but permits will be issued to fearners
on machines to work for a imited time for less than
the full scale. Last week eight cards were withdrawn and eighteen deposited. There are twentylive propositions for membership and six suspended
members were rejivative! Themas Outes, W. M.
Napier, Audrew Weibert and M. J. Sullivan died.

Not long since the people of Achill, or This pampered pet of royalty wears gold Ragle Island, lying off the coast of Ire-Pagle Island, tying on the coast of land, in County Mayo, were accorded a privilege rare in the annals of the human race—nothing less than the uncommon to aght of a stranded "devilish."
